

POL-DEL-04: Logistics, Delivery Delays and Lost Package Policy

Category: Delivery & Shipping | **Version:** v1.5 | **Status:** Active | **Date:** 2024-03-01

1.0 Delivery Delay Thresholds

If a package is delayed by more than 48 hours past the estimated delivery date, the logistics team must initiate a courier trace and provide daily updates.

2.0 Package Deemed Lost in Transit

If tracking shows no movement for 7 consecutive business days, the shipment is classified as lost. Customer is immediately entitled to re-shipment or full refund plus a \$15 courtesy credit.
